Green By Design!

Pricing 2012 Effective October 2012		POWER AMPLIFIERS
e.One S125	Fully-Balanced Stereo Amplifier 60/120W	€ 995
e.One REF150S	Balanced Stereo Amplifier 60/120W, Custom Input Stage and Low Noise Power Filter	€ 1.695
e.One REF500S	Fully-Balanced Dual-Mono Stereo Amplifier 200/400W, Custom Input Stage	€ 2.595
e.One REF500M	Balanced Mono Amplifier 225/450W (each), Custom Input Stage and Low Noise Power Filter	€ 1.995
e.One REF1000M	Balanced Mono Amplifier 500/1000W (each), Custom Input Stage and Low Noise Power Filter	€ 2.995
ANALOG CONTROL COMPONENTS		
e.One PRE3VB	Stereo Line Stage Fully-Balanced Preamplifier, VB Internal Power Design, 1M VB Cable, Digitally Controlled Analog Volume, Remote, Power connection Locking <i>(Power Supply Not Included in Price)</i>	€ 2.000
e.One PHONO3VB	Phono Stage MM/MC, 40/60dB gain, Resistive & Capacitive Cartridge Loading, VB Internal Power Design, Power connection Locking 1M VB Cable <i>(Power Supply Not Included in Price)</i>	€ 1.800
ACCESSORIES		
EH1 Rack System	Custom Shelf and Face plate for rack mounting e.One amplifiers	€ 425
	Custom Shelf and Face plate for rack mounting e.One amplifier installed at factory	€ 245
Cable ST Glass-Fiber	3 Meter ST Glass-Fiber Cable	€ 100
VB REF Locking Power Cable	Reference 1 Meter Power Cable for VB-Powered Components, DAC3.5VBMKII, PRE3VB, PHONO3VB	€ 495
VB REF Barrel Power Cable	Reference 1 Meter Power Cable for external Powered Components, CD2, FM1, DAC1.5	€ 395
VB Locking Power Cable	1 Meter Power Cable for VB-Powered Components, DAC3.5VBMKII, PRE3VB, PHONO3VB	€ 125
VB Barrel Power Cable	1 Meter Power Cable for external Powered Components, CD2, FM1, DAC1.5	€ 100
UPGRADES CONVERSIONS OPTIONS		
DAC3.5VB MKII Conversion	Install new Clock and Power Supply Circuitry re-test	€ 495
VB CONVERSION	Internal Custom VB Power Board for DAC3, PRE3, PHONO3, Custom Power Cable	€ 595
V3.5 PROCESSOR UPGRADE	UPGRADE DAC3 MAIN BOARD TO DAC3.5 MAIN BOARD PROCESSOR	€ 945
V3.5 INPUT BOARD	UPGRADE DAC3 INPUT BOARD TO DAC3.5 INPUT WITH ST GLASS FIBER	€ 195
REF1000 to REF1000M Conversion	Update REF1000 to REF1000M	€ 1.200
Black or Silver Face Panel	Retro Fit Black/Silver Face Panel	€ 125
All units available in either Silver or Black face plate finish		
Note: power cable terminations identified in the description of each externally powered product		
Bel Canto reserves the right to modify products and pricing without notice.

Pricing 2012		DAC CONTROL CENTER SYSTEM	RRP incl. VAT
e.One REF DAC Control System	DAC Control Center, DAC3.5VB MKII, VBS1 power, VB REF Power Cable, REFLink, ST Glass-Fiber cable		€ 7.080
e.One DAC Control System	DAC Control Center, DAC3.5VB MKII, LNS1 power, VB Power Cable, uLink, ST Glass-Fiber cable		€ 4.890
Source			
e.One CD2	CD Transport/Player, Digital/Analog Output, 24-bit Volume Control, External DC power supply included, Power connection Barrel, Remote		€ 2.995
e.One CD3t	CD Transport, Digital Output, AES/EBU XLR, SPDIF, Remote		€ 1.495
e.One FM1	FM Tuner with 10 Presets 24-bit 48kHz Digital Outputs, Balanced/Single-Ended Analog Output, 24-bit 192kHz Dual-Differential DAC, 8 Character Alphanumeric Display with RDS/RDBS, External DC Power Supply, Power connection Barrel, RS232, Remote		€ 1.495
DAC CONTROL CENTER			
e.One DAC3.5VB MKII	24-bit 192kHz 126dB Dynamic Range Dual-Differential DAC, Balanced I/O, 5 Digital Inputs, Ultra Clock™, VB Internal Power Design and 1M VB Cable, ST Glass-Fiber input, Analog Input, 24-Bit Digital Volume Control, 8-Character Alphanumeric Display, RS 232 Port, Remote; Power cable connection LOCKING (Power Supply Not Included in Price)		€ 3.495
e.One DAC2.5	24-bit 192kHz 122dB Dynamic Range Dual-Differential DAC, Balanced I/O, 5 Digital Inputs, Ultra Clock™, LNS Internal Power Supply Standard IEC power connection, Analog Input, 24-bit 96kHz USB input, RS 232 Port, 1/4-inch Front Panel Headphone Output with Independent DAC, 24-Bit Digital Volume Control, 8-Character Alphanumeric Display, Remote		€ 1.995
e.One DAC1.5	24-bit 192kHz 122dB Dynamic Range Dual-Differential DAC, Balanced I/O, 5 Digital Inputs, Ultra Clock™, External DC Power Supply, Power connection Barrel, 24-bit 96kHz USB input, 1/4-inch Front Panel Headphone Output with Independent DAC, 24-Bit Digital Volume Control and Remote		€ 1.495
VB POWER COMPONENTS			
e.One LNS1	Compact Switch Mode External Custom Power Supply < 100 micro volts RMS noise (VB Cable Not Included)		€ 495
e.One VBS1	Virtual Battery Supply Powers up to 3 Front-End components with Highly-Regulated Power, 100 Joules of Energy Storage, 100 dB of Isolation Starting Below 100 Hz (VB Cable Not Included)		€ 1.495
USB LINK COMPONENTS			
e.One REFLink	High Speed 24/192 Asynchronous USB Input Link with Ultra-low Phase Noise Master Clocks, Coaxial SPDIF/BNC, Balanced AES/XLR and ST Fiber outputs, Multiple Stages of Galvanic Isolation, Self powered with multiple stages of low noise power supplies, 4 character display indicating Sample Rate: 44.1, 48, 88.2, 96, 176.4 and 192Ks/s. Requires Windows driver installation for use with Windows XP, Windows 7 and works with native MAC Drivers		€ 1.495
uLink	High Speed 24/192 Asynchronous USB Input Link with Ultra-low Phase Noise Master Clocks, with Coaxial SPDIF/BNC and ST Fiber output, Buss powered with multiple stages of low noise power supplies Requires Windows driver installation for use with Windows XP, Windows 7 and works with native MAC Drivers		€ 675
mLink	High Speed 24/192 Asynchronous USB Input Link with low jitter Master Clocks, Coaxial SPDIF/BNC output Buss Powered with multiple stages of low noise power supplies Requires Windows driver installation for use with Windows XP, Windows 7 and works with native MAC Drivers		€ 375
Integrated Amplifiers			
e.One C7R	Stereo 60/120W Integrated Amplifier, REF Low Noise Power Filter, 5 Digital, (RCA, TOS, 24/96 USB), Analog Input, FM Tuner with 10 Presets and 8 Character Alphanumeric Display with RDS/RDBS, Phono MM, Line Level and Head phone output, Remote		€ 2.995
e.One C5i	Stereo 60/120W Integrated Amplifier with 5 Digital, (RCA, TOS, 24/96 USB), Analog Input, Phono MM input, Line Level and Head phone output, Remote		€ 1.995
